

15 YEAR EXTENDED WARRANTY

ProGreen extends the following limited warranty on the ProGreen® turf polyolefin fabricated product (the `Turf Product_) to the original purchaser of the finished installed Turf Product only, subject to the conditions below. By accepting delivery of the Product, Purchaser agrees to be bound by and accept the terms and conditions of this Warranty. Manufacturer will honor and is bound by only those warranties set forth in this Warranty. Receipt of full payment for the Product and timely registration of the Product are condition precedents to the operation and effect of this Warranty.

Limited Warranty

ProGreen warrants the Turf Product fiber for fifteen years against (a) color fade in excess of 25 percent scale from the original color and (b) decreases in pile height in the finished Turf Product in excess of 50 percent from the original height. Color fading can be determined by examining the bottom portion of the fiber in relation to the top of the fiber. Since the bottom portion of the fiber is protected from the sun, a noticeable difference in color from top to bottom will be evident should fiber fade. If the color of the Turf Product fiber in the finished Turf Product fades more than 25 percent or the pile height of the Turf Product fiber in the finished Turf Product decreases more than 50% due to ultraviolet radiation degradation within the stated time period, ProGreen will replace the affected portion of the finished Turf Product with new Turf Product of equal quality on a prorated basis. This prorated schedule will be as follows:

Warranty Period	Prorated Value
Years 0 through 4	100%
Years 5 through 7	50%
Years 8 through 12	25%
Years 13 through 15	10%

Notification of Claim

Claim must be submitted within thirty (30) days of discovery of the defect and within the warranty period.

Limitations on Coverage

This Warranty specifically excludes:

- Fiber shrinkage and melting due to possible reflection and/or magnification, usually caused by, but not limited to, Energy Efficient Windows.
- Fiber that has been crushed
- Damages caused by vehicular traffic
- Damages caused by vandalism, abuse, negligence or neglect, and acts of God

Leaders in Synthetic Grass Since 1987

- Damages caused by improper cleaning agents, exposure to chemicals containing elements from the halogen group (such as chlorine, fluorine, bromine, iodine), herbicides, pesticides, chemical run-off from neighboring properties, and topical applications with a PH greater than five (5)
- Normal wear and matting of face fibers, especially in heavy foot traffic areas.
- Issues or problems with the turf installation

Furthermore, failure to properly maintain the turf system makes this warranty null and void.

Limitations of Remedies

Purchaser's exclusive remedy and Manufacturer's sole liability for any and all damages resulting from any cause whatsoever, whether such case is based on contract, negligence, strict liability, other tort or otherwise, shall not exceed in any one case or in total the original price of the Product and installation. In no event should Manufacturer be liable or held accountable for any incidental, consequential, or punitive damages resulting from any such cause.

Warranty Registration

This Limited Warranty is not valid if not registered within thirty (30) days of installation: Purchaser must fill out the form below, detach it and mail it directly to ProGreen within the thirty (30) day time period. The Limited Warranty is effective between ProGreen and the end user at the time and is non-insured.
